Objectives

- Understand what is the formula for sustainable job satisfaction and fulfilment
- Find a reliable guidance in your training and career decisions
- Discover your own values, strengths and talents
- Get closer to your "true self"
- Get to know the career models available for shaping your career
- Draw up an individual concept sketch for the "right" profession

Work style

- Theoretical inputs, individual introspective work, body work, group work, some homework
- Alongside with Psychology and the Arts, be also enriched by the group and by my personal lived experience
